[BizTech Named as "Top Tech Employer" by Philadelphia Business Journal](#)

**King of Prussia, PA (June 5, 2009)** – Philadelphia Business Journal named BizTech as one of the "Top Tech Employers" in the Philadelphia region for the 2<sup>nd</sup> consecutive year. The award recognizes the company's achievements in creating a positive work environment for its employees through a combination of benefits, working conditions, advancement opportunities and company culture.

BizTech is a leading regional IT services firm in the Philadelphia area focused on Oracle applications and technology solutions. Of the companies recognized by the Philadelphia Business Journal, BizTech is the only technology company named which focuses entirely on the Oracle Applications, Business Intelligence and Technology products.

"Being selected 2 years in a row to the "Top Tech Employers" list demonstrates how committed we are to our team. As professional consultants, our main asset is our employees. We believe in recognizing their talents and dedication by offering benefits such as a flexible work schedules, professional development programs, and continuous advancement opportunities." said Tom Connolly, CEO and founder of BizTech.

#### **About BizTech**

BizTech is a leading regional IT services firm focused on Oracle applications and technology solutions. With over 300 customers, BizTech is a leading Oracle Partner in the Philadelphia, New York and Mid-Atlantic Region and provides proven methods and a staff of Oracle professionals to lead its customer implementations.
