

BizTech Services Overview

The Leading Oracle Consulting Firm in the Mid-Atlantic

Don't leave your business to chance. Choose the right partner that will enable your company to keep pace with the continuous technology advancements of today, and provide experienced resources to prepare for the challenges of tomorrow.

For more than a decade BizTech has provided Oracle consulting services to small and medium sized corporations in the Philadelphia and Mid-Atlantic Region. As an Oracle Certified Advantage Partner with over 300 Fortune 500 customers, we are committed to Oracle solutions and the service we provide to our clients.

BizTech offers a unique combination of proven industry methods, and a tailored selection of experienced Oracle practitioners to lead your organization through changes required to manage, build, and implement business driven solutions. We offer a flexible approach, enabling you to select the scope of services that will meet your business goals.

The BizTech suite of services includes:

Technology Advisory Services- Transform your organization with a Business Process Improvement Evaluation, Performance Analysis, or Assessment tailored to your business and your budget to build your business case.

Oracle E-Business Suite Application Services- Reduce risk and transform your organization with Oracle Accelerate Solutions, Strategic Selection Services, Implementation Services, Upgrade Services, and Integration Services.

Oracle Technology Services- Integrate Web Service technology across disparate systems and reduce integration costs while increasing efficiency. Advance your company with Enterprise Application Integration, Business Intelligence, Web Application Development, and Enterprise Performance Management Solutions.

Managed Services- Reduce your total cost of ownership with Hardware Support hosted on or off-site, Complete Database Administration, Installation and Maintenance of OS technology stacks, Change Control Management, OS and Technology Patching, and Point or Major Release Upgrades.

Contract Staffing- Complete your projects on time and within budget with an experienced Oracle consultant. Our services include staff augmentation, collaborative staffing, direct placement, contract-to-hire and Oracle technical expertise spanning various applications and technology.
